

# FIRE UP YOUR READER WITH READING ACTIVITIES

## GIVING THE GIFT OF READING

Reading a book is more fun when you have a homemade bookmark to mark your spot.

What you'll need:

- Pieces of lightweight cardboard
- Pens and pencils
- Paper
- Crayons and magic markers

What to do:

Provide your child with a piece of cardboard about 6" long and 2" wide. On one side of the bookmark, have your child draw a picture of a scene from a book he or she has read. On the other side, write the name of the book, its author, publisher, publication date, and a few sentences about the book. After making several of these bookmarks, you might ask the child to send them to friends and relatives as gifts accompanied by a short note.
