

Spring Break Scavenger Hunt

Gather up a team (3 or more people) for this exciting Spring Break Scavenger Hunt! The point of this challenge is to get photos of specific items with ***all the team members in the photo***. Between April 1-12, find and take pictures with each of these things to receive the points! Creativity is encouraged! Before 9 pm on April 12, bring your list and photos into the library (on a flash drive or disc is fine) or email the photos to all@llcoop.org. Don't expect to get every single point. The team with the most points wins a prize!

1 Point
