The beast under the mountain Vesuvius, high above the city, wakes up angry sometimes -- and always goes back to sleep. But Marcus is afraid. He knows something is terribly wrong -- and his father, who trusts science more than mythical beasts, agrees. When Vesuvius explodes into a cloud of fiery ash and rocks fall from the sky like rain, will they have time to escape -- and survive the epic destruction of Pompeii?	1
I Survived the Eruption of Mount St. Helens, 1980	Lauren Tarshis	Eleven-year-old Jessie Marlowe has grown up with the beautiful Mount St. Helens always in the background. She's hiked its winding trails, dived into its cold lakes, and fished for trout in its streams. Just looking at Mount St. Helens out her window made Jess feel calm, like it was watching over her somehow. Of course, she knew the mountain was a volcano...but not the active kind, not a volcano that could destroy and kill! Then Mount St. Helens explodes with unimaginable fury. Jess suddenly finds herself in the middle of the deadliest and most destructive volcanic event in U.S. history. Ash and rock are spewing everywhere. Can Jess escape in time?	2

I Survived the Great Molasses Flood, 1919	Lauren Tarshis	It's been four years since Carmen and Papa moved from Italy to Boston. Life here is exciting, but not always easy. And then there's the massive metal tank that rises up over their crowded North End neighborhood. The ugly tank, filled with sticky brown molasses, has always leaked. But nobody imagined that it could one day explode apart, sending a tsunami of molasses into the streets. Caught in the flood, Carmen must fight for her life - the life that she and Papa built together in America. But where will she find the strength?	1
I Survived Hurricane Katrina, 2005	Lauren Tarshis	Barry's family tries to evacuate before Hurricane Katrina hits their home in New Orleans. But when Barry's little sister gets terribly sick, they're forced to stay home and wait out the storm. At first, Katrina doesn't seem to be as bad as predicted. But overnight the levees break, and Barry's world is literally torn apart. He's swept away by the floodwaters, away from his family. Can he survive the storm of the century -- alone?	2
I Survived the Japanese Tsunami, 2011	Lauren Tarshis	Visiting his dad's hometown in Japan four months after his father's death would be hard enough for Ben. But one morning the pain turns to fear: first, a massive earthquake rocks the quiet coastal village, nearly toppling his uncle's house. Then the ocean waters rise and Ben and his family are swept away-and pulled apart-by a terrible tsunami. Now Ben is alone, stranded in a strange country a million miles from home. Can he fight hard enough to survive one of the most epic disasters of all time?	2
I Survived the Joplin Tornado, 2011	Lauren Tarshis	Eleven-year-old Dexter has always wanted to see a tornado. So when he gets the incredible opportunity to go storm chasing with the famous Dr. Norman Rays, he has to say yes! Dr. Rays is the host of Tornado Mysteries, the show that Dex and his older brother, Jeremy, watched every night until Jeremy joined the U.S. Navy SEALs and left Joplin. Dex certainly knows how deadly tornadoes can be, but this one isn't heading toward Joplin, and wouldn't it be great to have a brave and exciting story of his own to tell Jeremy when he comes home? But when the tornado shifts direction, Dexter's bravery is about to get seriously tested...	1
I Survived the San Francisco Earthquake, 1906	Lauren Tarshis	Ten-year-old Leo loves being a newsboy in San Francisco -- not only does he get to make some money to help his family, he's free to explore the amazing, hilly city as it changes and grows with the new century. Horse-drawn carriages share the streets with shiny new automobiles, new businesses and families move in every day from everywhere, and anything seems possible. But early one spring morning, everything changes. Leo's world is shaken -- literally -- and he finds himself stranded in the middle of San Francisco as it crumbles and burns to the ground. Does Leo have what it takes to survive this devastating disaster?	2
Judy Moody and the Right Royal Tea Party	Megan McDonald	Judy Moody is in a royal purple-mountain-majesties mood. Make that Majesty with a capital M! With Grandma Lou's help, Judy has dug up proof that some old-timey Moodys (aka the brave Mudeyes) lived in merry olde England. In fact, if her grandpa's notes are right, Judy might even be related to — royal fanfare, please — the Queen herself! Should Judy start packing her purple robe for a sleepover at Buckingham Palace? But then Judy's family tree gets a few more shakes — thanks to her nemesis, Jessica “Fink” Finch — and some more surprises come tumbling out. Crikey! These new gems are not nearly as shiny or sparkly as the crown jewels. Now Judy has some right royal family secrets she'd like to keep hidden away in a dungeon somewhere — and especially away from Jessica, the princess in pink herself!	4
Judy Moody: Was in a Mood. Not a good mood. A bad mood.	Megan McDonald	To start, Judy Moody doesn't have high hopes for third grade. Her new desk won't have an armadillo sticker with her name on it. Her new classroom will not have a porcupine named Roger. And with her luck, she'll get stuck sitting in the first row, where Mr. Todd will notice every time she tries to pass a note to her best friend, Rocky. An aspiring doctor, Judy does have a little brother who comes in handy for practicing medicine, a cool new pet, and a huge Band-Aid collection. Judy also has an abundance of individuality and attitude, and when Mr. Todd assigns a very special class project, she really gets a chance to express herself!	1
Magic Tree House: A Big Day for Baseball	Mary Pope Osborne	PLAY BALL! Jack and Annie aren't great baseball players . . . yet! Then Morgan the librarian gives them magical baseball caps that will make them experts. They just need to wear the caps to a special ballgame in Brooklyn, New York. The magic tree house whisks them back to 1947! When they arrive, Jack and Annie find out that they will be batboys in the game—not ballplayers. What exactly does Morgan want them to learn? And what's so special about this game? They only have nine innings to find out!	1
My Weird-est School: Miss Porter is Out of Order	Dan Gutman	In this second book in the My Weirder-est School series, A.J. and his friends are getting a substitute. Miss Porter isn't your average teacher, though. She's a Personal Digital Assistant that literally knows everything. She can tell a million hundred weird jokes and get pizza delivered by drone in seconds! But what happens when Miss Porter's system is no longer set to fun? Will anyone be able to shut her down before she takes over Ella Mentry?	2

But with bills piling up and her parents constantly stressed, Ramona wonders if life will ever go back to normal.	1
Ramona and Her Mother	Beverly Cleary	Ramona Quimby is no longer seven, but not quite eight. She's "seven and a half right now," if you ask her. Not allowed to stay home alone, yet old enough to watch pesky Willa Jean, Ramona wonders when her mother will treat her like her older, more mature sister, Beezus. But with her parents' unsettling quarrels and some spelling trouble at school, Ramona wonders if growing up is all it's cracked up to be. No matter what, she'll always be her mother's little girl...right?	1
Ramona the Brave	Beverly Cleary	For a girl as enthusiastic about life as Ramona, starting the first grade should be easy! But with a teacher who doesn't understand her, a tattletale classmate, and a scary dog who follows her on the walk home from school, Ramona has a hard time acting like the big girl everyone expects her to be. But when she shows up to school with a missing shoe, Ramona gets a fresh grip on her courage in order to make it through a mortifying situation.	1
Ramona the Pest	Beverly Cleary	Ramona Quimby is excited to start kindergarten. No longer does she have to watch her older sister, Beezus, ride the bus to school with all the big kids. She's finally old enough to take the bus too! Then she gets into trouble for pulling her classmate's boingy curls during recess. Even worse, her crush rejects her in front of everyone. Beezus says Ramona needs to quit being a pest, but how can she stop if she never was trying to be one in the first place?	1
Series of Unfortunate Events: The Bad Beginning	Lemony Snicket	Are you made fainthearted by death? Does fire unnerve you? Is a villain something that might crop up in future nightmares of yours? Are you thrilled by nefarious plots? Is cold porridge upsetting to you? Vicious threats? Hooks? Uncomfortable clothing? It is likely that your answers will reveal A Series of Unfortunate Events to be ill-suited for your personal use. A librarian, bookseller, or acquaintance should be able to suggest books more appropriate for your fragile temperament. But to the rarest of readers we say, "Proceed, but cautiously."	1
Sparkle Spa #2: Purple Nails and Puppy Tails	Jill Santopolo	At Aly and Brooke's new nail salon, anything goes. Well, almost anything. One of their mother's regular clients doesn't go anywhere without her beloved dog Sadie, who's a canine star. One paw leads to another, and the girls not only polish Sadie's nails, but also hatch a scheme to do doggy makeovers for the Annual Pup Adoption Day at the local shelter. But dogs aren't exactly ideal mani-pedi customers, are they? The girls are finding out the ruff way!	1
Sparkle Spa #3: Magic Makeover	Jill Santopolo	Aly and Brooke are up to their glittering fingertips in manis and pedis for the annual Fall Ball dance at Auden Elementary School. But when Princess Polish, a flashy new nail salon, opens right across the street, the sisters worry that Sparkle Spa's days might be numbered!	1

Sparkle Spa #4: True Colors	Jill Santopolo	When Brooke breaks her arm, it's disastrous timing for the Sparkle Spa. The Auden Angels soccer team needs Rainbow Sparkles pedicures for good luck in the quarter finals. The girls in the Fall Dance recital are counting on the Sparkle Spa to make them look awesome. And Brooke can't possibly do manis and pedis with one hand! Aly needs help—and she needs it fast. So when Brooke's best friend Sophie proves she's a super fantastic manicurist, Aly hires her. But when Brooke finds out what her sister's been up to behind her back, can she see reason instead of red?	1
Sparkle Spa #5: Bad News Nails	Jill Santopolo	Trouble is coming to the Sparkle Spa, in the form of Aly Tanner's worst nightmare: her arch rival and nemesis since kindergarten is joining the salon! Know-it-all Suzy Davis has plenty of ideas about how the nail salon should be run and isn't shy about telling the sisters what to do and how to do it. How can Brooke and Aly get Suzy out of their hair—and their business?	1
Sparkle Spa #6: A Picture Perfect Mess	Jill Santopolo	The Tanner sisters must find a way to outshine some not-so-friendly competition—and keep the Sparkle Spa in the spotlight!—as school picture day approaches. It's almost time for picture day at Auden Elementary School, and the Sparkle Spa will make sure everyone looks picture perfect. But Aly Tanner's arch rival, Suzy Davis, decides she knows how to make everyone look even better than Aly and Brooke do. Suzy will set up "shop" in the girls' bathroom at school and let everyone use lip gloss and blush and mascara. Will Suzy's plan really outsmart—and out sparkle—the Sparkle Spa?	1
Sparkle Spa #7: Bling it On	Jill Santopolo	It's Carnival Day at Auden Elementary School and Aly and Brooke are thrilled to set up a glittering Sparkle Spa booth for festive manicures. But what starts off all fun and games soon ends up in unpolished disaster! Can the girls find a way to repair the damage in time to enjoy the day?	1
Sparkle Spa #8: Wedding Bell Blues	Jill Santopolo	Aly and Brooke Tanner are beyond excited! Joan, their favorite True Color's manicurist, is getting married! Aly and Brooke want to be involved in every sparkly step, but when only one sister is going to be the Flower Girl, this wedding starts to feel less fun. Will Brooke and Aly figure out a way to make Joan's happily-ever-after happy for everyone?	1

The Cupcake Club: Recipe for Trouble	Sheryl and Carrie Berk	To Lexi, a new school year means back to baking with her BFFs in the cupcake club. But the club president, Kylie, is mixing things up by inviting new members. And Lexi is in for a no-so-sweet surprise when she is cast in the school's production of Romeo and Juliet. If only she could be as confident onstage as she is in the kitchen. The icing on the cake: her secret crush is playing Romeo. Sounds like a recipe for trouble. Can the girls' friendship stand the heat, or will the cupcake club go up in smoke?	1
The Friendship Doll	Kirby Larson	I am Miss Kanagawa. In 1927, my 57 doll-sisters and I were sent from Japan to America as Ambassadors of Friendship. Our work wasn't all peach blossoms and tea cakes. My story will take you from New York to Oregon, during the Great Depression. Though few in this tale are as fascinating as I, their stories won't be an unpleasant diversion. You will make the acquaintance of Bunny, bent on revenge; Lois, with her head in the clouds; Willie Mae, who not only awakened my heart, but broke it; and Lucy, a friend so dear, not even war could part us. I have put this tale to paper because from those 58 Friendship Dolls only 45 remain. I know that someone who chooses this book is capable of solving the mystery of the missing sisters. Perhaps that someone is you.	1
The Pony-Crazed Princess: Princess Ellie to the Rescue	Diana Kimpton	When her pony, Sundance, goes missing, Princess Ellie blames a mysterious stranger for the disappearance, so Ellie and her best friend Kate must track down the mystery person and get Sundance back before it is too late.	1

	Thomas and The Dragon Queen	Shutta Crumb	A kingdom is at war. A princess has been kidnapped by a dragon queen. A brave squire volunteers to set out on a quest to rescue her. But there's just one small problem. He's Thomas, the shortest of all the squires. With little more than a donkey, a vest, and a sword, Thomas will have to use all of his courage and determination to battle a beast with many heads, reach a forbidden island, and rescue the princess from a most fearsome dragon-and an even more fearsome fate!	1
	Unicorn and Yeti: Sparkly New Friend	Heather Ayrys	Unicorn has a horn and can do magic. Yeti is big and furry and cannot do magic. Yeti likes snowball fights. Unicorn does not like snowball fights. But Unicorn and Yeti both love sparkly things, magic rainbows, and -- most of all -- being best friends!	3
	Whatever After #6: Cold as Ice	Sara Mlynowski	Brrrrrrrr. This fairy tale is FREEZING! Even though my brother and I had decided to stay away from the magic mirror, our puppy had other plans -- he bounded right in. What choice did we have but to go in after him? When we land in a winter wonderland, we realize we must be in the story of The Snow Queen. And this fairy tale is nothing like the movie. This Snow Queen is super-mean, and she turns our dog into an ice sculpture! To get home we'll have to: - Defrost our furry friend - Ride a very chatty reindeer - Learn to ice-skate - Escape from a band of robbers And if we're not careful . . . we could end up frozen ourselves!	1

	Do Frogs Drink Hot Chocolate?	Etta Kaner	When winter arrives, animals living in cold environments need to cope to survive. Do polar bears build homes? Do penguins snuggle with a friend? Yes! But their homes aren't made of wood, and they don't cuddle on a couch. Instead, these animals and many more have adapted in amazing ways to survive chilly weather. Whether it's whales layering up with 12 inches of blubber, turtles burrowing into the mud to snooze and wait for spring, or emperor penguins coming together in a giant huddle, this book is full of fascinating tidbits about animal behavior in winter.	1
	Finding Gobi: Young Reader's Edition: The True Story of One Little Dog's Big Journey	Dion Leonard	Finding Gobi: The True Story of One Little Dog's Big Journey is the incredible true story of Dion Leonard, a New York Times bestselling author and athlete, who was befriended by a stray dog while running an ultramarathon through the Gobi Desert. Named for the desert in which he found her, Gobi became Dion's closest companion for 77 miles of the 155-mile race across China. The scrappy little pup ran mile after mile alongside Dion, through treacherous conditions and across raging rivers. He let her sleep in his tent and share his food, and eventually, his focus shifted from winning to the newfound friendship he and Gobi shared. They crossed the finish line together—not first, but together—and Dion decided to bring Gobi home to Scotland. Just before they were about to leave, however, Gobi disappeared, setting off a worldwide search for the stray. In a town of more than 3 million people, the search seemed hopeless, but this tale of friendship will surprise and delight you as you find out what happens!	1

	What Is NASA?	Sarah Fabiny	The National Aeronautics and Space Administration, better known as NASA, began in 1958. With its creation, the United States hoped to ensure it won the space race against the Soviet Union. Author Sarah Fabiny describes the origins of NASA, the launching of the Apollo program that landed the first human on the moon, and the many missions and discoveries that have taken place since then. NASA has a rich history and still plays an important role in uncovering the mysteries of the universe. Readers are sure to get sucked into this book.	3
	What Presidents are Made Of	Hanoch Piven	See America's presidents as never before—made of objects! Using everything from blue jeans to boxing gloves, Hanoch Piven “builds” the characters of eighteen of our nation's leaders. Revealing anecdotes accompany the creative collages and lend insight to the charismatic personalities of prominent presidents from George Washington to Barack Obama, resulting in an irresistible resource that transcends party lines.	2
	Where Is Antarctica?	Sarah Fabiny	Antarctica, the earth's southernmost continent, was virtually untouched by humans until the nineteenth century. Many famous explorers journeyed (and often died) there in the hope of discovering a land that always seemed out of reach. This book introduces readers to this desert--yes, desert!--continent that holds about 90 percent of the world's ice; showcases some of the 200 species that call Antarctica home, including the emperor penguin; and discusses environmental dangers to the continent, underscoring how what happens to Antarctica affects the entire world.	2
	Where Is the Amazon?	Sarah Fabiny	Human beings have inhabited the banks of the Amazon River since 13,000 BC and yet they make up just a small percentage of the "population" of this geographic wonderland. The Amazon River basin teems with life—animal and plant alike. It's a rainforest that is home to an estimated 390 billion individual trees, 2.5 million species of insects, and hundreds of amazing creatures and plants that can either cure diseases, or, like the poison dart frog, kill with a single touch. Where Is the Amazon? reveals the amazing scale of a single rainforest that we are still trying to understand today and that, in many ways, supports our existence on this planet.	2
	Where Is the Grand Canyon?	Jim O'Connor	There are canyons all over the planet, and the Grand Canyon in Arizona is not the biggest. Yet because of the spectacular colors in the rock layers and fascinating formations of boulders, buttes, and mesas, it is known as one of the Seven Natural Wonders of the World. Starting with a brief overview of how national parks came into being, this book covers all aspects of the canyon--how it formed, which early native people lived there, and what varied wildlife can be found there now. A history of the canyon's end-to-end exploration in the late 1860s and how the Grand Canyon became such a popular vacation spot (5 million tourists visit every year) round out this informative, easy-to-read account.	2
	Where Is the Great Barrier Reef?	Nico Medina	The Great Barrier Reef, off the coast of Australia, is the world's largest coral reef system. Stretching more than 1,400 miles, it provides a home to a wide diversity of creatures. Designated a World Heritage Site, the reef is suffering from the effects of climate change but this fascinating book shows this spectacular part of our planet.	2

Who is Jane Goodall?	Roberta Edwards	Jane Goodall, born in London, England, always loved animals and wanted to study them in their natural habitats. So at age twenty-six, off she went to Africa! Goodall's up-close observations of chimpanzees changed what we know about them and paved the way for many female scientists who came after her. Now her story comes to life in this biography with black-and-white illustrations throughout.	4
Who Was Albert Einstein?	Jess Brallier	Everyone has heard of Albert Einstein-but what exactly did he do? How much do kids really know about Albert Einstein besides the funny hair and genius label? For instance, do they know that he was expelled from school as a kid? Finally, here's the story of Albert Einstein's life, told in a fun, engaging way that clearly explores the world he lived in and changed.	3
Who Was Cesar Chaves?	Dana Meachen Rau	When he was young, Cesar and his Mexican American family toiled in the fields as migrant farm workers. He knew all too well the hardships farm workers faced. His public-relations approach to unionism and aggressive but nonviolent tactics made the farm workers' struggle a moral cause with nationwide support. Along with Dolores Huerta, he cofounded the National Farmworkers Association. His dedication to his work earned him numerous friends and supporters, including Robert Kennedy and Jesse Jackson.	1
Who Was George Washington Carver?	Jim Gigliotti	Born in 1860s Missouri, nobody expected George Washington Carver to succeed. Slaves were not allowed to be educated. After the Civil War, Carver enrolled in classes and proved to be a star student. He became the first black student at Iowa State Agricultural College and later its first black professor. He went on to the Tuskegee Institute where he specialized in botany (the study of plants) and developed techniques to grow crops better. His work with vegetables, especially peanuts, made him famous and changed agriculture forever.	3
Who was Harry Houdini?	Tui Sutherland	Every kid has heard of Harry Houdini, the famous magician who could escape from handcuffs, jail cells, and locked trunks. But do they know that the ever-ambitious and adventurous Houdini was also a famous movie star and the first pilot to fly a plane in Australia? This well-told biography is full of the details of Houdini's life that kids will really want to know about and illustrated throughout with beautiful black-and-white line drawings.	1
Who Was Louis Armstrong?	Yona Zeldis McDonough	If not for a stint in reform school, young Louis Armstrong might never have become a musician. It was a teacher at the Colored Waifs Home who gave him a cornet, promoted him to band leader, and saw talent in the tough kid from the even tougher New Orleans neighborhood called Storyville. But it was Louis Armstrong's own passion and genius that pushed jazz into new and exciting realms with his amazing, improvisational trumpet playing. His seventy-year life spanned a critical time in American music as well as black history.	1
Who Was Marie Curie?	Megan Stine	Born in Warsaw, Poland, on November 7, 1867, Marie Curie was forbidden to attend the male-only University of Warsaw, so she enrolled at the Sorbonne in Paris to study physics and mathematics. There she met a professor named Pierre Curie, and the two soon married, forming one of the most famous scientific partnerships in history. Together they discovered two elements and won a Nobel Prize in 1903. (Later Marie won another Nobel award for chemistry in 1911.) She died in Savoy, France, on July 4, 1934, a victim of many years of exposure to toxic radiation.	4
Who Was P.T. Barnum?	Kirsten Anderson	After moving from Connecticut to New York City in 1834, twenty-four-year-old Phineas Taylor Barnum launched his now-legendary career as a showman. Even though spectators debated whether his exhibitions were authentic wonders, hoaxes, or a little bit of both, they were always astounded by what they saw. And readers are sure to be amazed by the story of how Barnum went from owning a museum filled with rare and unusual items to transforming the American circus into a popular and thrilling phenomenon.	2
A Tangle of Knots	Lisa Graff	Told in multiple viewpoints, A Tangle of Knots is a magnificent puzzle. In a slightly magical world where everyone has a Talent, eleven-year-old Cady is an orphan with a phenomenal Talent for cake baking. But little does she know that fate has set her on a journey from the moment she was born. And her destiny leads her to a mysterious address that houses a lost luggage emporium, an old recipe, a family of children searching for their own Talents, and a Talent Thief who will alter her life forever. However, these encounters hold the key to Cady's past and how she became an orphan. If she's lucky, fate may reunite her with her long-lost parent.	2
Booked	Kwame Alexander	In this follow-up to the Newbery-winning novel THE CROSSOVER, soccer, family, love, and friendship, take center stage as twelve-year-old Nick learns the power of words as he wrestles with problems at home, stands up to a bully, and tries to impress the girl of his dreams. Helping him along are his best friend and sometimes teammate Coby, and The Mac, a rapping librarian who gives Nick inspiring books to read. This electric and heartfelt novel-in-verse by poet Kwame Alexander bends and breaks as it captures all the thrills and setbacks, action and emotion of a World Cup match!	5
Bravelands: Code of Honor	Erin Hunter	The code of the wild has been broken. The elephant leader known as Great Mother has been murdered. And Bravelands is on the edge of chaos. Now a young baboon, elephant, and lion must come together to discover the truth—before the fragile balance of Bravelands is destroyed forever.	4

Circus Galacticus	Deva Fagan	Trix can deal with being an orphan charity case at a snotty boarding school. She can hold her own when everyone else tells her not to dream big dreams. She can even fight back against the mysterious stranger in a silver mask who tries to steal the meteorite her parents trusted her to protect. But her life is about to change forever. The Circus Galacticus has come to town, bringing acts to amaze, delight, and terrify. And now the dazzling but enigmatic young Ringmaster has offered Trix the chance to be a part of it. Soon Trix discovers an entire universe full of deadly enemies and potential friends, not to mention space leeches, ancient alien artifacts, and exploding chocolate desserts. And she just might unravel the secrets of her own past—if she can survive long enough.	5
Defender of the Realm	Mark Huckerbee & Nick Ostlur	Alfie thought he knew his destiny. He didn't know the half of it. Fourteen year old heir to the throne, Alfie, didn't expect to be King so soon. He DEFINITELY did not expect to be ... DEFENDER OF THE REALM. A legendary superhero, fighting a secret, centuries-long, battle to protect the nation from monsters and super-villains.	1
Ghost	Jason Reynolds	Ghost. Lu. Patina. Sunny. Four kids from wildly different backgrounds with personalities that are explosive when they clash. But they are also four kids chosen for an elite middle school track team - a team that could qualify them for the Junior Olympics if they can get their acts together. They all have a lot to lose, but they also have a lot to prove, not only to each other, but to themselves. Ghost has a crazy natural talent, but no formal training. If he can stay on track, literally and figuratively, he could be the best sprinter in the city. But Ghost has been running for the wrong reasons - it all starting with running away from his father, who, when Ghost was a very little boy, chased him and his mother through their apartment, then down the street, with a loaded gun, aiming to kill. Since then, Ghost has been the one causing problems - and running away from them - until he meets Coach, an ex-Olympic Medalist who blew his own shot at success by using drugs, and who is determined to keep other kids from blowing their shots at life.	1
Greetings from Witness Protection	Jake Burt	The marshals are looking for the perfect girl to join a mother, father, and son on the run from the nation's most notorious criminals. After all, the bad guys are searching for a family with one kid, not two, and adding a streetwise girl who knows a little something about hiding things may be just what the marshals need. Nicki swears she can keep the Trevor family safe, but to do so she'll have to dodge hitmen, cyberbullies, and the specter of standardized testing, all while maintaining her marshal-mandated B-minus average. As she barely balances the responsibilities of her new identity, Nicki learns that the biggest threats to her family's security might not lurk on the road from New York to North Carolina, but rather in her own past.	2
Horizon (Book 1)	Scott Westerfeld	When a plane crash-lands in the arctic, eight young survivors step from the wreckage expecting to see nothing but ice and snow. Instead they find themselves lost in a strange jungle with no way to get home and little hope of rescue. Food is running out. Water is scarce. And the jungle is full of threats unlike anything the survivors have ever seen before -- from razor-beaked shredder birds to carnivorous vines and much, much worse. With danger at every turn, these eight kids must learn to work together to survive. But cliques and rivalries threaten to tear them apart. And not everyone will make it out of the jungle alive.	2
Horizon Book 3: A Warp in Time	Jude Watson	National Book Award winner Jude Watson joins the race for survival! The harrowing tale of survival and suspicion takes its most dramatic turn yet when Molly, Yoshi, and the rest discover that there are more than just monsters in the rift.	1
Jolted : Newton Starker's Role for Survival	Arthur Slade	The Starker family is infamous. They've been chronicled on blogs, profiled on TV and researched by paranormal investigators. They appear to be cursed: everyone of Starker blood has died after being struck by lightning. Fourteen-year-old Newton Starker is the last of his line—except for his great-grandmother, Enid, a woman as friendly as a pickled wolverine—and he's determined to survive. Newton has spent all of his life surviving, following a list of rules for self-preservation, guidelines passed down through generations of Starkers. But Newton wants to try something new. He has enrolled at Jerry Potts Academy of Higher Learning and Survival in Moose Jaw with the hope that he'll be able to beat the odds—he has a dream of becoming a great chef someday. If he wants to go beyond just getting by, Newton is going to need more than rules. He's going to need friends.	7
Monster High #2: the Goul Next Door	Lisi Harrison	Cleo was the queen bee of the RADs, the normies, and everyone in between at Merston High. But now it's "Frankie this" and "Melody that" . . . these new girls sure know how to get her lashes in a tangle. When Cleo lands a golden Teen Vogue photo op for her friends, everything seems to be back on track . . . until they bail to be in some film . . . Frankie and Melody's film! Can't a royal get some loyal?	3

Tween	Okay for Now	Gary Schmidt	As Doug struggles to be more than the “skinny thug” that his teachers and the police think him to be, he finds an unlikely ally in Lil Spicer—a fiery young lady who “smelled like daisies would smell if they were growing in a big field under a clearing sky after a rain.” In Lil, Doug finds the strength to endure an abusive father, the suspicions of a whole town, and the return of his oldest brother, forever scarred, from Vietnam. Together, they find a safe haven in the local library, inspiration in learning about the plates of John James Audubon’s birds, and a hilarious adventure on a Broadway stage. In this stunning novel, Schmidt expertly weaves multiple themes of loss and recovery in a story teeming with distinctive, unusual characters and invaluable lessons about love, creativity, and survival.	4
	Pop Girl	Tallia Storm	Storm Hall lives to sing. Whisked away on the holiday of a lifetime, Storm misses her first chance to sing nationally. Did she miss her big break?	1
	Randy Rhodes, Ninja Detective	Octavia Spencer	Randi Rhodes and her best friends, Dario Cruz (D.C.) and Pudge Taylor, have earned their places as Deer Creek's famous ninja detectives. Now they're in New York City, and their crime-fighting instincts are on high alert! While visiting Randi's aunt in Brooklyn, the trio notices some suspicious-looking characters casing the museum across the street—a museum with a new exhibit of precious Fabergé eggs worth millions. There were once fifty Fabergé eggs, but these treasures have a habit of vanishing. The ninja detectives won't let that happen on their watch! Will they be able to unravel this centuries-old mystery before it's too late?	2
	Restart	Gordon Korman	Chase's memory just went out the window. Chase doesn't remember falling off the roof. He doesn't remember hitting his head. He doesn't, in fact, remember anything. He wakes up in a hospital room and suddenly has to learn his whole life all over again . . . starting with his own name. He knows he's Chase. But who is Chase? When he gets back to school, he sees that different kids have very different reactions to his return. Some kids treat him like a hero. Some kids are clearly afraid of him. One girl in particular is so angry with him that she pours her frozen yogurt on his head the first chance she gets. Pretty soon, it's not only a question of who Chase is -- it's a question of who he was . . . and who he's going to be.	1
	Stef Soto, Taco Queen	Jennifer Torres	Estefania "Stef" Soto is itching to shake off the onion-and-cilantro embrace of Tia Perla, her family's taco truck. She wants nothing more than for Papi to get a normal job and for Tia Perla to be a distant memory. Then maybe everyone at school will stop seeing her as the Taco Queen. But when her family's livelihood is threatened, and it looks like her wish will finally come true, Stef surprises everyone (including herself) by becoming the truck's unlikely champion. In this fun and heartfelt novel, Stef will discover what matters most and ultimately embrace an identity that even includes old Tia Perla.	2
	Team Players	Mike Lupica	Cassie Bennett is great at being in charge. She always knows what to do to lead her teams to victory, keep her many groups of friends together, or fix any problem that comes her way. So when Sarah Milligan, an autistic girl with unreal softball skills, joins Cassie's team, Cassie's sure she can help her fit in with the team. But before long it's obvious that being around so many people is really hard for Sarah, and the more Cassie tries to reach out and involve her, the more Sarah pushes her away, sometimes literally. It doesn't help that Cassie's teammates aren't as interested in helping Sarah as they are in making sure they make it to the new softball All-Star Tournament that'll be televised just like the Little League World Series. Soon no one seems to even want Sarah on the team anymore besides Cassie, and the harder Cassie tries to bring everyone together, the worse things seem to get. Cassie Bennett never backs down from a challenge, but can she realize that maybe the challenge isn't fixing a problem in someone else, but in herself? Or will her stubbornness lead her to lose more than just softball games?	2
	The Adventurers Guild	Zach Loran Clark & Nick Eliopoulos	In one of the last cities standing after the world fell to monsters, best friends Zed Kagari and Brock Dunderfel have high hopes for the future. Zed desperately wishes to join the ranks of the Mages Guild, where his status as Freestone's only half elf might finally be an asset. Brock, the roguishly handsome son of merchants, is confident he'll be welcomed into the ranks of the Merchants Guild. But just as it seems the boys' dreams have come true, their lives take a startling turn . . . and they find themselves members of the perilous Adventurers Guild. Led by the fearsome Alabasel Frond, the guild acts as the last line of defense against the Dangers-hungry, unnatural beasts from otherworldly planes. And when the boys uncover a conspiracy that threatens all of Freestone, Zed, Brock, and their new allies-Liza, a fierce noble, and Jett, a brave dwarf-must prove their worth once and for all.	2

	The Collector	KR Alexander	Josie always liked visiting her grandmother in the countryside. But when her mother loses her job in the city and they're forced to relocate along with Josie's sister, Annie, she realizes she doesn't like the country that much. Especially because Grandma Jeannie has some strange rules: Don't bring any dolls into the house. And never, ever go near the house in the woods behind their yard. Soon, though, Josie manages to make friends with the most popular girl in the sixth grade, Vanessa. When Vanessa eventually invites Josie back to her house to hang out, Hosie doesn't question it. Not even when Vanessa takes her into the woods, and down an old dirt road, toward the very house Grandma Jeannie had warned her about. As Josie gets caught up in her illicit friendship with Vanessa, Annie is caught in the crossfire. What follows is a chilling tale of dark magic, friendship, and some very creepy dolls.	1
	The Haunting of Gabriel Ashe	Dan Poblocki	Has Gabriel created a monster? Something sinister lurks in the woods outside of Slade. Gabe has seen it, or he thinks he has - a shadow standing at the tree line, watching Gabe's house with faintly glowing eyes. Despite Gabe's misgivings, his new friend, Seth, relishes the creepy atmosphere of the forest. It's the perfect setting for his imaginary struggle against the Hunter, a deformed child-eating creature said to leave the bones of his victims in his wake. It's just a game, but it's all a bit much for Gabe, who quickly loses interest as summer ends and the days grow shorter. But then strange things start to happen. Frightening things. And Gabe knows it has to do with the dark figure watching him from the edge of the woods. Is Seth out to teach Gabe a lesson? Or is the Hunter more than just a myth? Gabe isn't sure which option is more horrifying, but he's determined to learn the truth before someone gets hurt . . . or worse.	2
	Took	Mary Downing Hahn	After Daniel's young sister disappears in the woods, he starts to believe the myth about a witch and her terrifying hog who take little girls and keep them for 50 years.	2
	Touch Blue	Cynthia Lord	The state of Maine plans to shut down her island's schoolhouse, which would force Tess's family to move to the mainland--and Tess to leave the only home she has ever known. Fortunately, the islanders have a plan too: increase the numbers of students by having several families take in foster children. So now Tess and her family are taking a chance on Aaron, a thirteen-year-old trumpet player who has been bounced from home to home. And Tess needs a plan of her own--and all the luck she can muster. Will Tess's wish come true or will her luck run out?	7
	Trials of Apollo Book 1: Hidden Oracle	Rick Riordan	How do you punish an immortal? By making him human. After angering his father Zeus, the god Apollo is cast down from Olympus. Weak and disoriented, he lands in New York City as a regular teenage boy. Now, without his godly powers, the four-thousand-year-old deity must learn to survive in the modern world until he can somehow find a way to regain Zeus's favor. But Apollo has many enemies—gods, monsters, and mortals who would love to see the former Olympian permanently destroyed. Apollo needs help, and he can think of only one place to go . . . an enclave of modern demigods known as Camp Half-Blood.	2
	Under the Green Hill	Laura L Sullivan	Meg and her siblings have been sent to the English countryside for the summer to stay with elderly relatives. The children are looking forward to exploring the ancient mansion and perhaps discovering a musty old attic or two filled with treasure, but never in their wildest dreams did they expect to find themselves in the middle of a fairy war. When Rowan pledges to fight for the beautiful fairy queen, Meg is desperate to save her brother. But the Midsummer War is far more than a battle between mythic creatures: Everything that lives depends on it. How can Meg choose between family and the fate of the very land itself?	4
	You Go First	Erin Entrada Kelly	Twelve-year-old Charlotte Lockard and eleven-year-old Ben Boxer are separated by more than a thousand miles. On the surface, their lives seem vastly different—Charlotte lives near Philadelphia, Pennsylvania, while Ben is in the small town of Lanester, Louisiana. Charlotte wants to be a geologist and keeps a rock collection in her room. Ben is obsessed with Harry Potter, presidential history, and recycling. But the two have more in common than they think. They're both highly gifted. They're both experiencing family turmoil. And they both sit alone at lunch. During the course of one week, Charlotte and Ben—friends connected only by an online Scrabble game—will intersect in unexpected ways as they struggle to navigate the turmoil of middle school. The New York Times–bestselling novel You Go First reminds us that no matter how hard it is to keep our heads above troubled water, we never struggle alone.	3
	5 Nights at Freddy's: The Twisted Ones	Scott Cawthon	It's been a year since the horrific events at Freddy Fazbear's Pizza, and Charlie is just trying to move on. Even with the excitement of a new school and a fresh start, she's still haunted by nightmares of a masked murderer and four gruesome animatronic puppets. Charlie thinks her ordeal is over, but when a series of bodies are discovered near her school - bearing wounds that are disturbingly familiar - she finds herself drawn back into the world of her father's frightening creations. Something twisted is hunting Charlie, and this time if it finds her, it's not letting her go.	2

A Pretty Little Liars Novel: Burned	Sara Shepard	High school seniors Aria, Emily, Hanna, and Spencer have made some terrible mistakes, but nothing compares to what they did last spring break. Now the girls are packing their bags for a Caribbean cruise, hoping the trip will be a much-needed vacation from their stalker, A. But they should know by now that A won't be left high and dry. Sure enough, A shows up on deck, ready to send these pretty little liars to a watery grave. . . .	1
A Pretty Little Liars Novel: Heartless	Sara Shepard	First Emily, Aria, Hanna, and Spencer claimed they found a dead body in the woods behind Spencer's house, only to have it vanish without a trace. Then, when the same woods went up in flames, they swore they saw someone who's supposed to be dead rise from the ashes. And even after all that, the pretty little liars are still playing with fire. Call me heartless, but it's about time someone shut these liars up for good. After all, nobody likes a girl who cries wolf, least of all me. . . .	1
A Pretty Little Liars Novel: Killer	Sara Shepard	Hanna, Aria, Spencer, and Emily have been lying ever since they became friends with beautiful Alison DiLaurentis. And their bad-girl ways didn't die with her. Hanna's on a mission to corrupt Rosewood's youth, starting with a very attractive sophomore. Aria's snooping into her boyfriend's past. Spencer's stealing—from her family. And pure little Emily's abstaining from abstinence. The girls should be careful, though. There's a new A in town turning up the heat. And this time Rosewood is going to burn.	1
A Pretty Little Liars Novel: Stunning	Sara Shepard	Emily's reconnecting with an old flame, one baby step at a time. But is she headed toward true love or another bundle of heartache? Spencer's learning about the highs and lows of campus life on a trip to Princeton. Aria's seeing a whole new side to Noel's dad—and it could drive a wedge between her and Noel. And, for better or worse, Hanna's getting in touch with her inner A. Secret by secret, lie by lie, the girls get tangled in A's dangerous web. Soon A will have enough ammunition to pull the trigger and end the pretty little liars, once and for all. . . .	1
A Pretty Little Liars Novel: Wanted	Sara Shepard	For three long years, Hanna, Spencer, Aria, and Emily wondered what happened the night their best friend Alison disappeared. Now that all their questions have finally been answered, they can put this awful chapter of their lives behind them. Or so they think. Not every story has a happy ending, especially when four pretty little liars have done so many wicked things. Will the girls get everything they've ever wanted? Not if I have anything to say about it.	1
A Pretty Little Liars Novel: Wicked	Sara Shepard	In idyllic Rosewood, Pennsylvania, four very pretty girls just can't help but be bad. Hanna will do anything to be Rosewood's queen bee. Spencer's digging up her family's secrets. Emily can't stop thinking about her new boyfriend. And Aria approves a little too strongly of her mom's taste in men. The girls think they're in the clear now that Ali's killer is finally behind bars. But someone new is mimicking "A's" blackmailing ways with wicked and mysterious messages. And it's only a matter of time before they let some secrets slip.	1
Airhead	Meg Cabot	Emerson Watts didn't even want to go to the new SoHo Stark Megastore grand opening. But someone needed to look out for her sister, Frida, whose crush, British heartthrob Gabriel Luna, would be singing and signing autographs there—along with the newly appointed Face of Stark, teen supermodel sensation Nikki Howard. How was Em to know that disaster would strike, changing her, and life as she'd known it, forever?	2
And the Ocean Was Our Sky	Patrick Ness	With harpoons strapped to their backs, the proud whales of Bathsheba's pod live for the hunt, fighting in the ongoing war against the world of men. When they attack a ship bobbing on the surface of the Abyss, they expect to find easy prey. Instead, they find the trail of a myth, a monster, perhaps the devil himself. . . . As their relentless Captain leads the chase, they embark on a final, vengeful hunt, one that will forever change the worlds of both whales and men.	1
As Easy as Falling Off the Face of the Earth	Lynn Rae Perkins	Train. Car. Plane. Boat. Feet. He'll get there. Won't he?	3
Song of Seare #2: Beneath the Forsaken City	C.E. Laureano	Conor and Aine have barely escaped Seare with their lives. Conor knows he must return to find the harp that could end the Red Druid's reign of terror, but in the midst of their escape, he and Aine are torn apart once more. Surrounded by despair and thrown into as much danger as they left behind, Conor and Aine must cling to the whispers of Comdiu's plans for them and the homeland that depends on their survival. But at what cost? Will they learn to depend on Comdiu completely? Or will they give up hope?	1
Brother Band Chronicles #1: The Outcast	John Flanagan	They are outcasts. Hal, Stig, and the others - they are the boys the others want no part of. Skandians, as any reader of Ranger's Apprentice could tell you, are known for their size and strength. Not these boys. Yet that doesn't mean they don't have skills. And courage - which they will need every ounce of to do battle at sea against the other bands, the Wolves and the Sharks, in the ultimate race. The icy waters make for a treacherous playing field . . . especially when not everyone thinks of it as playing. John Flanagan, author of the international phenomenon Ranger's Apprentice, creates a new cast of characters to populate his world of Skandians and Araluens, a world millions of young readers around the world have come to know and admire. Full of seafaring adventures and epic battles, Book 1 of The Brotherband Chronicles is sure to thrill readers of Ranger's Apprentice while enticing a whole new generation just now discovering the books.	4

The Infernal Devices Book 2: Clockwork Prince	Cassandra Clare	In the magical underworld of Victorian London, Tessa Gray has found safety with the Shadowhunters. But that safety proves fleeting when it becomes clear that the mysterious Magister will stop at nothing to use Tessa's powers for his own dark ends. With the help of the handsome, tortured Will and the devoted Jem, Tessa discovers that the Magister's war on the Shadowhunters is deeply personal and fueled by revenge. To unravel the secrets of the past, the trio journeys from mist-shrouded Yorkshire to a manor house that holds untold horrors. When they encounter a clockwork demon bearing a warning for Will, they realize that the Magister knows their every move—and that one of their own has betrayed them. Tessa is drawn more and more to Jem, though her longing for Will continues to unsettle her. But something is changing in Will. Could finding the Magister free Will from his secrets and give Tessa answers about who she really is? As their search leads to deadly peril, Tessa learns that secrets and lies can corrupt even the purest heart.	2
Code Name Verity	Elizabeth Wein	Oct. 11th, 1943—A British spy plane crashes in Nazi-occupied France. Its pilot and passenger are best friends. One of the girls has a chance at survival. The other has lost the game before it's barely begun. When "Verity" is arrested by the Gestapo, she's sure she doesn't stand a chance. As a secret agent captured in enemy territory, she's living a spy's worst nightmare. Her Nazi interrogators give her a simple choice: reveal her mission or face a grisly execution. As she intricately weaves her confession, Verity uncovers her past, how she became friends with the pilot Maddie, and why she left Maddie in the wrecked fuselage of their plane. On each new scrap of paper, Verity battles for her life, confronting her views on courage, failure and her desperate hope to make it home. But will trading her secrets be enough to save her from the enemy?	3
Deadly	Julie Chibbaro	Prudence Galewski doesn't belong in Mrs. Browning's esteemed School for Girls. She doesn't want an "appropriate" job that makes use of refinement and charm. Instead, she is fascinated by how the human body works—and why it fails. Prudence is lucky to land a position in a laboratory, where she is swept into an investigation of a mysterious fever. From ritzy mansions to shady bars and rundown tenements, Prudence explores every potential cause of the disease to no avail—until the volatile Mary Mallon emerges. Dubbed "Typhoid Mary" by the press, Mary is an Irish immigrant who has worked as a cook in every home the fever has ravaged. But she's never been sick a day in her life. Is the accusation against her an act of discrimination? Or is she the first clue in solving one of the greatest medical mysteries of the twentieth century?	2
Everwild (The Skinjacker Trilogy Book 2)	Neal Shusterman	Going against Mary Hightower's wishes, Nick, "the chocolate ogre," is slowly trying to reach every kid in Everlost to hand each and every one a coin, which will release them from Everlost. Mikey McGill and Allie have joined a band of skinjackers who have more of an impact on the living world than any other inhabitant of Everlost. Except Mikey can't skinjack and Allie can - and there is a very good reason: Allie is not actually dead.	5
Firelight	Sophie Jordan	With her rare ability to breathe fire, Jacinda is special even among the draki—the descendants of dragons who can shift between human and dragon forms. But when Jacinda's rebelliousness forces her family to flee into the human world, she struggles to adapt, even as her draki spirit fades. The one thing that revives it is the gorgeous, elusive Will, whose family hunts her kind. Jacinda can't resist getting closer to him, even though she knows she's risking not only her life but the draki's most closely guarded secret.	2
Goodbye Days	Jeff Zentner	Where are you guys? Text me back. That's the last message Carver Briggs will ever send his three best friends, Mars, Eli, and Blake. He never thought that it would lead to their death. Now Carver can't stop blaming himself for the accident and even worse, a powerful judge is pressuring the district attorney to open up a criminal investigation. Luckily, Carver has some unexpected allies: Eli's girlfriend, the only person to stand by him at school; Dr. Mendez, his new therapist; and Blake's grandmother, who asks Carver to spend a "goodbye day" together to share their memories and say a proper farewell. Soon the other families are asking for their own goodbye day with Carver—but he's unsure of their motives. Will they all be able to make peace with their losses, or will these goodbye days bring Carver one step closer to a complete breakdown or—even worse—prison?	4

But it was a victory won by defiance of the Capitol and their harsh rules. Katniss and Peeta should be happy. After all, they have just won for themselves and their families a life of safety and plenty. But there are rumors of rebellion among the subjects, and Katniss and Peeta, to their horror, are the faces of that rebellion. The Capitol is angry. The Capitol wants revenge.	1
	Hunted	Megan Spooner	Beauty knows the Beast's forest in her bones—and in her blood. After all, her father is the only hunter who's ever come close to discovering its secrets. So when her father loses his fortune and moves Yeva and her sisters out of their comfortable home among the aristocracy and back to the outskirts of town, Yeva is secretly relieved. Out in the wilderness, there's no pressure to make idle chatter with vapid baronesses...or to submit to marrying a wealthy gentleman. But Yeva's father's misfortune may have cost him his mind, and when he goes missing in the woods, Yeva sets her sights on one prey: the creature he'd been obsessively tracking just before his disappearance. The Beast. Deaf to her sisters' protests, Yeva hunts this strange creature back into his own territory—a cursed valley, a ruined castle, and a world of magical creatures that Yeva's only heard about in fairy tales. A world that can bring her ruin, or salvation. Who will survive: the Beauty, or the Beast?	3
	Imposters	Scott Westerfeld	Frey and Rafi are inseparable . . . two edges of the same knife. But only one of them is ever seen in public. Frey is Rafi's twin sister-and her body double. Their powerful father has many enemies, and the world has grown dangerous as the old order falls apart. So while Rafi was raised to be the perfect daughter, Frey has been taught to kill. Her only purpose is to protect her sister, to sacrifice herself for Rafi if she must. When her father sends Frey in Rafi's place as collateral in a precarious deal, she becomes the perfect impostor. But Col, the son of a rival leader, is getting close enough to spot the killer inside her	5

	Night Witches: A Novel of WWII	Kathryn Lasky	16-year-old Valya knows what it feels like to fly. She's a pilot who's always felt more at home soaring through the sky than down on earth. But since the Germans surrounded Stalingrad, Valya's been forced to stay on the ground and watch her city crumble. When her mother is killed during the siege, Valya is left with one burning desire: to join up with her older sister, a member of the famous and feared Night Witches—a brigade of young female pilots. Using all her wits, Valya manages to get past the German blockade and find the Night Witches' base . . . and that's when the REAL danger starts. The women have been assigned a critical mission. If they succeed, they'll inflict serious damage on the Nazis. If they fail, they'll face death . . . or even worse horrors.	1
	Out of Sight, Out of Time (Gallagher Girls Book 5)	Ally Carter	The last thing Cammie Morgan remembers is leaving the Gallagher Academy to protect her friends and family from the Circle of Cavan—an ancient terrorist organization that has been hunting her for over a year. But when Cammie wakes up in an alpine convent and discovers that months have passed, she must face the fact that her memory is now a black hole. The only traces left of Cammie's summer vacation are the bruises on her body and the dirt under her nails, and all she wants is to go home. Once she returns to school, however, Cammie realizes that even the Gallagher Academy now holds more questions than answers. Cammie, her friends, and mysterious spy-guy Zach must face their most difficult challenge yet as they travel to the other side of the world, hoping to piece together the clues that Cammie left behind. It's a race against time. The Circle is hot on their trail and willing stop at nothing to prevent Cammie from remembering what she did last summer.	4

Page by Paige	Laura Lee Gulledge	Paige Turner has just moved to New York with her family, and she's having some trouble adjusting to the big city. In the pages of her sketchbook, she tries to make sense of her new life, including trying out her secret identity: artist. As she makes friends and starts to explore the city, she slowly brings her secret identity out into the open, a process that is equal parts terrifying and rewarding. Laura Lee Gulledge crafts stories and panels with images that are thought-provoking, funny, and emotionally resonant. Teens struggling to find their place can see themselves in Paige's honest, heartfelt story.	4
Prom and Prejudice	Elizabeth Eulberg	It is a truth universally acknowledged, that a single girl of high standing at Longbourn Academy must be in want of a prom date. After winter break, the girls at the very prestigious Longbourn Academy become obsessed with the prom. Lizzie Bennet, who attends Longbourn on a scholarship, isn't interested in designer dresses and expensive shoes, but her best friend, Jane, might be - especially now that Charles Bingley is back from a semester in London. Lizzie is happy about her friend's burgeoning romance but less than impressed by Charles's friend, Will Darcy, who's snobby and pretentious. Darcy doesn't seem to like Lizzie either, but she assumes it's because her family doesn't have money. Clearly, Will Darcy is a pompous jerk - so why does Lizzie find herself drawn to him anyway?	1
Reached (Matched, Book 3)	Ally Condie	One young woman has raged against those who threaten to keep away what matters most—family, love, choice. Her revolution is about to explode into full-scale rebellion. As an incurable plague sweeps through the Society, Cassia races to save both the lives and freedom of those she loves. With exquisite prose, the emotionally gripping conclusion to the international–bestselling Matched trilogy returns Cassia, Ky, and Xander to the Society to save the one thing they have been denied for so long, the power to choose.	4
The Scorch Trials (The Maze Runner, Book 2)	James Dashner	Thomas was sure that escape from the Maze would mean freedom for him and the Gladers. But WICKED isn't done yet. Phase Two has just begun. The Gladers have two weeks to cross through the Scorch—the most burned-out section of the world. And WICKED has made sure to adjust the variables and stack the odds against them. Friendships will be tested. Loyalties will be broken. All bets are off. There are others now. Their survival depends on the Gladers' destruction—and they're determined to survive.	4
Sharp Shot	Jack Higgins	Rich and Jade Chance are once again on the run this time while their father is away. After a breathless chase through an amusement park, Jade is taken hostage by a man from Chance's past who is plotting a political coup in the Middle East with nuclear weapons. Worse still, the president of the United States is on his way to the region for a summit meeting. It will take all of the Chance family's wits and skills to find the bomb and defuse the threat and time is running out!	2
Shelter	Harlen Coben	Mickey Bolitar's year can't get much worse. After witnessing his father's death and sending his mom to rehab, he's forced to live with his estranged uncle Myron and switch high schools.	2
Spellbound	Janet McDonald	Raven never expected to be a mother at sixteen. Is she going to be just another high school dropout, a project girl with few prospects? Could be, except Raven has ambition. Still, when is she going to find the time to finish school? Then her older sister tells her about a spelling bee that promises the winner a scholarship for college. Spelling? There isn't a subject she's worse at. But once Raven's got her mind set, nothing gets in her way...	4
The Eye of Minds (The Mortality Doctrine, Book One)	James Dashner	The VirtNet offers total mind and body immersion, and the more hacking skills you have, the more fun it is. Why bother following the rules when it's so easy to break them? But some rules were made for a reason. Some technology is too dangerous to fool with. And one gamer has been doing exactly that, with murderous results. The government knows that to catch a hacker, you need a hacker. And they've been watching Michael. If he accepts their challenge, Michael will need to go off the VirtNet grid, to the back alleys and corners of the system human eyes have never seen—and it's possible that the line between game and reality will be blurred forever.	6
The House of the Scorpion	Nancy Farmer	Matt is a clone of El Patrón, a powerful drug lord of the land of Opium, which is located between the United States and Mexico. For six years, he has lived in a tiny cottage in the poppy fields with Celia, a kind and deeply religious servant woman who is charged with his care and safety. He knows little about his existence until he is discovered by a group of children playing in the fields and wonders why he isn't like them. Though Matt has been spared the fate of most clones, who have their intelligence destroyed at birth, the evil inhabitants of El Patrón's empire consider him a "beast" and an "eejit". When El Patrón dies at the age of 146, 14-year-old Matt escapes Opium with the help of Celia and Tam Lin, his devoted bodyguard who wants to right his own wrongs. After a near misadventure in his escape, Matt makes his way back home and begins to rid the country of its evils.	6

The Knowing	Sharon Cameron	Samara is one of the Knowing, and the Knowing do not forget. Hidden deep in the comfort and splendor of her underground city, a refuge from the menace of a coming Earth, Samara learns what she should have never known and creates a memory so terrible she cannot live with it. So she flees, to Canaan, the lost city of her ancestors, to forget. Beckett has flown through the stars to find a dream: Canaan, the most infamous social experiment of Earth's antiquity. Beckett finds Samara in the ruins of the lost city, and uncovers so much more than he ever bargained for -- a challenge to all he's ever believed in or sworn to. When planets collide and memories clash, can Samara and Beckett save two worlds, and remember love in a place that has forgotten it?	1
The Misshapes: the Coming Storm	Alex Flynn	Sarah is no ordinary girl: she can control the weather with her emotions. But in Doolittle Falls where superheroes walk the streets (and fly over them), Sarah's powers aren't enough for admission to the prestigious Hero Academy. Not to mention that her mother is a notorious Supervillain and the archnemesis of America's favorite Hero, Freedom Man. Instead of being accepted to the school of her dreams, Sarah is marked as an outcast with powers – a Misshape. Now she's stuck with a ragtag group of fellow Misshapes, her dreams of heroism on hold indefinitely. Yet Sarah is determined to harness her powers to win a place at Hero Academy. But the path to greatness won't be easy. Her brother's rebellious streak is starting to wear thin, she has an intriguing (and smoking hot) new mentor, and an unexpected romance blooms with superstar Hero Freedom Boy. And when Doolittle Falls comes under threat of annihilation, Sarah has to prove there may be more to the Misshapes than everyone thinks. And she may just kick some Supervillain butt in the process.	1
Salt & Storm	Kendall Kulper	Sixteen-year-old Avery Roe wants only to take her rightful place as the witch of Prince Island, making the charms that keep the island's whalers safe at sea, but her mother has forced her into a magic-free world of proper manners and respectability. When Avery dreams she's to be murdered, she knows time is running out to unlock her magic and save herself. Avery finds an unexpected ally in a tattooed harpoon boy named Tane--a sailor with magic of his own, who moves Avery in ways she never expected. Becoming a witch might stop her murder and save her island from ruin, but Avery discovers her magic requires a sacrifice she never prepared for.	6
Theodore Boone: Kid Lawyer	John Grisham	The thrilling young mystery series from internationally bestselling author John Grisham! In the small city of Strattenburg, there are many lawyers, and though he's only thirteen years old, Theo Boone thinks he's one of them. Theo knows every judge, policeman, court clerk—and a lot about the law. He dreams of being a great trial lawyer, of a life in the courtroom. But Theo finds himself in court much sooner than expected. Because he knows so much—maybe too much—he is suddenly dragged into the middle of a sensational murder trial. A cold-blooded killer is about to go free, and only Theo knows the truth. The stakes are high, but Theo won't stop until justice is served.	4
Truly Devious	Maureen Johnson	Ellingham Academy is a famous private school in Vermont for the brightest thinkers, inventors, and artists. It was founded by Albert Ellingham, an early twentieth century tycoon, who wanted to make a wonderful place full of riddles, twisting pathways, and gardens. "A place," he said, "where learning is a game." Shortly after the school opened, his wife and daughter were kidnapped. The only real clue was a mocking riddle listing methods of murder, signed with the frightening pseudonym "Truly, Devious." It became one of the great unsolved crimes of American history. True-crime aficionado Stevie Bell is set to begin her first year at Ellingham Academy, and she has an ambitious plan: She will solve this cold case. That is, she will solve the case when she gets a grip on her demanding new school life and her housemates: the inventor, the novelist, the actor, the artist, and the jokester. But something strange is happening. Truly Devious makes a surprise return, and death revisits Ellingham Academy. The past has crawled out of its grave. Someone has gotten away with murder.	2
Warcraft: Durotan	Christie Golden	In the world of Draenor, the strong and fiercely independent Frostwolf Clan are faced with increasingly harsh winters and thinning herds. When Gul'dan, a mysterious outsider, arrives in Frostfire Ridge offering word of new hunting lands, Durotan, the clan's chieftain, must make an impossible decision: abandon the territory, pride and traditions of his people or lead them into the unknown. An original tale of survival, conflict and magic that leads directly into the events of Warcraft, an epic adventure from Legendary Pictures and Universal Pictures based on Blizzard Entertainment's global phenomenon.	3

	Warcross	Marie Lu	For the millions who log in every day, Warcross isn't just a game - it's a way of life. The obsession started 10 years ago, and its fan base now spans the globe, some eager to escape from reality and others hoping to make a profit. Struggling to make ends meet, teenage hacker Emika Chen works as a bounty hunter, tracking down Warcross players who bet on the game illegally. But the bounty-hunting world is a competitive one, and survival has not been easy. To make some quick cash, Emika takes a risk and hacks in to the opening game of the international Warcross Championships - only to accidentally glitch herself into the action and become an overnight sensation. Convinced she's going to be arrested, Emika is shocked when instead she gets a call from the game's creator, the elusive young billionaire Hideo Tanaka, with an irresistible offer. He needs a spy on the inside of this year's tournament in order to uncover a security problem...and he wants Emika for the job. With no time to lose, Emika's whisked off to Tokyo and thrust into a world of fame and fortune that she's only dreamed of. But soon her investigation uncovers a sinister plot, with major consequences for the entire Warcross empire.	2
